RE: Certification & Code of Ethics

New Coaches:

The board of directors for the BAYFL unanimously voted to require ALL coaches to be members of the National Youth Sports Coaches Association and to successfully complete the "Coaching Youth Football" program offered on the website. Please go to the following link if you have not yet been through the program (there is a \$25 charge to take this class which needs to be paid by credit card but is reimbursable to you by the league):

<https://www.nays.org/onlinepromo/onlinehome.html>

Click on the COACHING YOUTH FOOTBALL website icon on the right. Read the instructions on the page and when you get to the bottom, click on the "JOIN NOW" icon. If you are new to NYSCA, then click the first link under "New to the NYSCA". Fill out the form completely and then click on "Submit" at the bottom of the page. Please note: The league name is: BAYFL and we are AYF Affiliated.

When you complete the training and test, you will be asked to agree to the coaches code of ethics. Upon successful completion of this online course, you will have fulfilled your training responsibilities for BAYFL. Please note: Upon completion of the class, you must send me your name, your NYSCA Membership Number, and the expiration date. Once that has been completed, you will be eligible to coach. If you wish to be reimbursed for the class, please drop me a note along with your membership information stating you would like reimbursement.

Returning Coaches:

If you are a returning coach this year, your responsibility is to complete and sign a coaches code of ethics form. This will include your NYSCA membership number, the expiration date, and your signature. Please return it to me and BAYFL will renew your membership for 1 year if it is due to expire. There will be no cost to you for renewal.
