for 1st-3rd Grade

**1 PM**  
Equipment Issue  
for 4th-6th Grade

All equipment issue  
is at Fairgrounds  
Field  
(Topsham)

**August 6th**

### Registration Is Open!

Your child should have received a registration flyer in school (Brunswick School District, MSAD#75 and Durham Elementary) with registration information. However, if your child didn't receive one, the same information can be found at

<http://www.bayfl.org/registration/>

In an effort to make registration more efficient (with the side benefit of saving a few trees), all registration must be done online through the website this year. You should find it more convenient. Thank you to Mark Leaman who set up our online registration! No more having to attach .pdf's to email and all of the glitches which went along with that.

For anyone who doesn't have computer access, we will have computer access available at the July 17th registration information session (4PM to 6PM) at the Fairgrounds Field storage building. This session is an optional session to answer questions about registration or the league, but if you register online and have no questions, you don't need to attend.

### We Have Water!

BAYFL has brought a water line in to Fairgrounds Field so that we can now irrigate it. Between the loam and seed we added and the irrigation, we're hoping this will give improved turf by the time we start playing on it in late August. We're going to rest the field until then and will have the non-contact camp at Stowe Field in Brunswick.

Thank you to Jeff Girardin for a lot of hard work getting the water line project co-ordinated and [Mark Ponziani Excavation of Topsham \(729-5618\)](#) for doing the excavating work (and supplying loam) at a steep discount.

Thank you to [Enterprise Trenchless Technologies, Inc.](#) for their manufacturing the 4" water line.

Finally, another thank you to [Ray Labbe & Sons](#) who also donated loam for the project last fall.

## Summer Football Camps

There are two summer non-contact football camps in the area. They are a great way to ease into the season and refresh your child's football skills and have fun at the same time.

### *Topsham Parks and Recreation*

Topsham Parks and Recreation is having a camp taught by Frank True and the coaching staff of Mt. Ararat's football team. The camp will be held June 27th-June 30th from 5:30 PM to 7:30 PM at the

Mt. Ararat High School practice field. The cost is \$45.00 and includes a t-shirt. For more information click [here](#). If you are interested in this camp, please contact Topsham Rec ASAP because numbers have been low this year.

### ***BAYFL***

BAYFL will hold a camp July 25th-27th (with July 28th saved as a rain date if necessary). The camp will be from 5PM to 7PM. The cost is \$30.00. Please note that instead of using the same t-shirt we have used the past few years, we are updating it with a shirt specific for the 2011 camp. We have to have time to get them printed, so only those registrants who sign up by Sunday, July 17th will get a t-shirt. You don't necessarily have to pay by July 17th (you can pay as late as the first day of camp), but you do have to register.

### **Parking Help Needed**

The Topsham Fair has been very good to BAYFL and charges us an extremely low rent. However, they depend on us for volunteer help parking cars (and also give us credit towards our rent for parking them). As an aside, they've also asked us to help paint the bleachers this year however, we're not gearing up for that effort yet.

This year we need help parking cars from from 4PM to 8PM, Tuesday August 9th through Sunday, August 14th. We need about 10 people per shift, so it's a big effort for the league. However, it's a chance to get out and be part of a team parking cars and see people you haven't seen for awhile attending the Fair.

We're looking for parents, high school students (we will give documentation for community service credit) or older BAYFL players to assist. Please email Mark Waltz at [registrar@bayfl.org](mailto:registrar@bayfl.org) if you can assist.

Questions, comments, etc...
